QX 775

MOTOR BOAT PILOTHOUSE

QX 775 – Comfort and Style on the Water

Discover the QX 775 – a modern motorboat designed for enthusiasts of comfortable cruising.

With a length of 7.33 m and a width of 2.48 m, it offers the perfect space for a family or a group of friends (up to 8 people).

Key Features:

Elegant Design: The aerodynamic hull and modern finish catch the eye both in the marina and on open waters.

Spacious Interior: Comfortable cabins equipped with sleeping quarters, a kitchenette with a two-burner stove, and a dining area.

Versatility: Category C certification ensures safe coastal and lake cruising.

Power and Performance: Supports engines up to 300 HP, delivering exceptional performance.

Easy Transportation: Weighing 1450 kg and featuring compact dimensions, it's easy to transport on a trailer.

Perfect for every occasion – from family vacations to fishing trips and weekend getaways with friends. Invest in comfort and unforgettable moments on the water.

QX 775 – Your Dreams on the horizon!

QX 770

MOTOR BOAT SUNDECK

QX 770 – Comfort, Style, and Power on the Water

Discover the QX 770 – a motorboat designed for water enthusiasts who value comfort, elegance, and reliability.

This model combines modern design with functionality, offering ample space for the entire family or a group of friends.

Key Features:

Luxurious finish: A spacious cockpit lined with elegant materials that are both durable and easy to maintain.

Stylish quilted seats provide maximum comfort.

Functionality: A cockpit table that can be folded to create additional space. Perfect for family meals or relaxing with friends.

Modern helm console: An ergonomic layout with high-quality finishes ensures full control of the boat and comfort while navigating.

Space for everyone: Thoughtful seat arrangement and practical layout allow for maximum comfort, even with a full crew.

Purpose: The QX 770 is the perfect choice for both short trips and longer cruises.

With its impressive engine power (up to 300 HP) and excellent nautical performance, this boat is suitable for calm lakes as well as open seas.

MOTOR BOAT PILOTHOUSE

MARINE TIME

QX 595 – The Perfect Boat for Families and Friends

The QX 595 is a compact and versatile motorboat designed for family weekend getaways or recreational cruises with friends.

Its thoughtful design and functionality make it an excellent choice for those who value comfort and practicality.

Comfort and Space

The QX 595 can accommodate up to 6 people, making it ideal for shorter water trips.

Onboard, you'll find a spacious sleeping cabin offering a comfortable overnight stay for three people.

Additionally, the cockpit can be equipped with a mattress, providing a cozy sleeping area for two more people.

Practical Solutions

The cockpit is equipped with a rigid roof over the helmsman's position, offering protection from the sun.

For added comfort, a "cabrio" tent can be installed, effectively shielding against rain, wind, or insects. This practical feature ensures the boat is ready for various weather conditions.

Agility and Versatility

Thanks to its compact size and lightweight construction, the QX 595 is perfect for water areas inaccessible to larger vessels.

It is easy to transport and handle, allowing for effortless exploration of diverse locations.

The QX 595 combines functionality, comfort, and style.

If you're looking for a boat that will create unforgettable moments on the water with your family or friends, this vessel will meet your expectations.
